Pico Trimmer

Compact, quiet horse trimmer

Lister's smallest and quietest trimmer, the Lister Pico is ideal for trimming sensitive and hard-to-reach areas, such as around the eyes or beneath the jaw. The Pico is ideal for introducing nervous animals to clipping and features low-vibration technology. And, as it's battery powered, the Pico is also perfect for touch-ups on the go.

- Extremely small and lightweight for anytime-trimming
- Blade guides for a variety of cutting lengths
- Exceptionally quiet
- Low vibration technology
- Handy size for grooming kits
- Screw on blades for easy replacement
